The BID funded by businesses for the businesses

Eastleigh's Medieval Festival was a huge success!

Eastleigh saw the 20th May with a medieval makeover. Despite the rain & our bouncy castle having to disappear, the event remained busy throughout the day. Have-a-go archery was a popular attraction, as was ferret racing with Wessex Ferret Club and circus workshop's with Juggling Jake. The main event was held on Leigh Road Recreational Ground. However, we had Miller's Ark Mobile Farm in Wells Place, as well as arts & crafts and a fancy dress competition, with the Deputy Mayor, Chris Thomas, judging the competition.

Huge thanks to Candy Room, Creams, VUE Cinemas, The Works, Partyman World, Eastleigh Museum, The Entertainer, Alton Sports, Tesco and Curves for getting involved.

Business Grant updates:

Eastleigh BID has helped and funded Oxford Blinds to have a new roof and Istanbul Grill with their refurbishment! We have other grant applications in the pipeline and still have business grants open.

Are you looking to improve the outside of your shop, spring clean your website or introduce a new service to your customers?

Eastleigh BID business grants can help you accomplish all of those things! Through match funding Eastleigh BID will match the cost of your new project up to £2000.
